

*Lisa M. Paradis
Director of Recreation*

Dear Private Lesson Client:

Thank you for enrolling in our Private Swim Lesson program. Our goal is to deliver the best instruction possible and to provide all of our students a safe, engaging and enjoyable and experience. The water is a wonderful medium in which to exercise and relax, and our staff is available to help our clients develop the skills and confidence necessary for a lifetime of fun and fitness.

Lessons are scheduled based on a match of the client and instructor availability, as well as their respective goals and skills. In an effort to efficiently accommodate as many clients as we can, we are able to reserve as few as three lessons to as many as you would like within the given session (Winter, Spring, Summer or Fall), after which time the client may go back on the waitlist, if desired. Note: we do not offer open-ended lessons.

Just as you have made a commitment to pursue learning how to swim or how to improve/refine strokes, so has our staff made a commitment to teach you, and has budgeted their time accordingly. Therefore, if you need to cancel a swim lesson, we require at least 24-hour notice. Please email the Assistant Aquatics Director or call the Front Desk at 617.713.5435 to do so. If you cannot give us the necessary notice, payment is due in full for the lesson, as we still need to compensate the instructor.

Our fees for each 30-minute lesson are as follows:

Brookline Resident

One Swimmer	\$35 total
Two swimmers:	\$50 total
Three swimmers:	\$60 total

At this time, private lessons are offered to Brookline residents only and advance registration and payment are required. Please pay for each lesson immediately prior to the scheduled time and present the instructor with the receipt, as the instructor cannot teach the lesson unless they have a receipt in hand. At this time, we do not issue refunds.

Thank you again for choosing the staff at the Evelyn Kirrane Aquatics Center. Feel free to contact us with any questions or concerns.

Sincerely,

Deb Cohen, Aquatics Director
dcohen@brooklinema.gov

Alex Villafranca, Assistant Aquatics Director
avillafranca@brooklinema.gov
